Press Release

January 20, 2020

It is with great sadness that we have to report the Body of Selena Faye Not Afraid has been found by searchers. At about 1033 hours a Department of the Interior Team found her during a systematic grid search of an area southwest of the rest area along I-90 between Hardin and Billings.

We want to thank all the agencies and civilians that helped in searching for Selena, we also are thankful for the many people that donated food and water for the searchers and the family.

An autopsy will be conducted but foul play is not suspected at this time. Please keep Jackie, Leroy and their extended family members in your thoughts and give them the time and space to grieve and come to grips with this terrible loss.
